23rd Annual CCR Roundup

A little rain, a little sun, lots of fun

Check out the CCR website for pictures of all the Winners and much more.

Best in Show—Kirby Montgomery
Dear Fellow CCR Members,

June was an exciting and also a sad month. We lost two great members. Dot Corbin, wife of long-time member, Terry Corbin, and Lawrence Carlyle Halley passed away. Lawrence was one of the founding members of the Corvette Club of Richmond in 1960, and also started Aquia Creek Corvette Club. May God Bless each family member with strength and love as they move forward in life.

June 1st was our Annual 23rd Roundup. It was another success, but not without our great help. See the posted Chairperson list. We had 60 cars entered and was financial success again this year for the club. Not bad for a rainy morning. It is nice to have great sponsors to help us save money. All Club Members there worked hard to help us raise the money we earned. Thank you! It is very much appreciated.

June 14th, after our Membership Meeting, we went to the home of John and Betty Callis. What a delicious feast! Thank you for a very nice social time and fellowship.

June 15th after a week delay, eight members and five Corvettes went to Sedalia. Lori and Dave Dolan did an excellent job caravanning us through the beautiful Blue Ridge mountains of Virginia.

With July 27th fast approaching, be sure you have your hotel room reserved for the Duncan Car Collection in Christiansburg, Virginia. John and Susie Rhodes along with Mike and Peggy Todd are planning this trip. Our next General Membership Meeting on July 12, 2019 will be in the West End at the Markel Corporation. Our after-meeting social will be at Kirby and Marcie Montgomery's home. If you would like to bring a side dish please coordinate with Marcie. See me or Belinda Darling if you want to sponsor an after meeting social in your home.

Best Wishes and Remember to Save the Wave. Life is a highway, and I am looking forward to driving my Corvettes with my friends.

Your CCR Friend,

Bubba Carr

Business appears to be booming at the Corvette Assembly Plant in Bowling Green, KY, just across the street from the National Corvette Museum. GM recently announced their intent to add a second shift and more than 400 hourly jobs to the site that has been the home of Corvette production for almost forty years. These enhancements are to support production of the 2020 Next Generation Corvette, scheduled for its official reveal on July 18th.

Since 2011, General Motors has invested more than $900 million and the personnel additions will swell the workforce to more than 1300 employees. The monetary investments have included a new body shop, increased engine capacity, new paint shop, a new Performance Build Center, and additional paint upgrades. Since the plant's opening in 1981, more than a million Corvettes have been produced. The factory has the largest solar array of any automaker in Kentucky and its current economic impact includes more than $76 million in state wages and $15 million in income tax.
Welcome new Member !!!

Becoming a Member of the CCR

In 1960, a small group of Corvette enthusiasts began to gather on a regular basis for fun and fellowship. The first official meeting took place in July 1961. CCR is the oldest Corvette club in Virginia with a membership approaching 400. To be eligible for regular membership, you must be a person of good character and own a Corvette. You must attend at least one meeting or event. If you don’t own a Corvette, an “associate membership” is available. Associates can participate in all events and functions but have no voting rights. You’ll make good friends, have fun and learn more about Corvettes. Club meetings are at 7:30 p.m. on the second Friday of each month. After the meetings, there is a social where you can enjoy socializing with other club members.

Annual dues are $25 for pilots or $35 for both the pilot and co-pilot (includes spouse or significant other). A membership application can be found on the CCR website: www.corvetteclubofrichmond.com.

Event Recap

Cruise to Lynchburg

After a weeks delay for rain it was a wonderful day in Sedalia
A first time event. We will caravan to Christiansburg, VA to tour the Duncan Import and Classic Car collection. The collection has over **1200** Import and American muscle and Classic Cars. The imports include cars, vans, trucks, limos and ornate Japanese hearses rarely seen in the USA. Did I mention Japanese fire trucks? For your preview of what you will see visit the Duncan Import and Classic Cars website [https://www.duncanimports.com](https://www.duncanimports.com)

We will meet at the WAWA on Route 360 (12001 Southshore Point Dr., Midlothian) at 7:30 AM and depart at 8:00 AM. We will arrive in Christiansburg around noon and eat lunch at either the **Due South Pit Cooked BBQ** or the **Dude’s Drive-In** restaurant (they are beside each other). At 1:00 pm will drive to The Duncan Collection to begin the tour. They are open until 5:00 PM. This is a self-guided tour but most of the cars have vehicle information on their windshields. Did I also mention nearly everything is for sale? Mr. Duncan indicated that he would try to be present for at least part of the tour. He can provide a lot his personal information on many of the vehicles.
After you have seen all you want to see head over to the Quality Inn (50 Hampton Boulevard) and check in (It’s less than a mile away). You will need to make your reservations by calling (520) 505-2289. Let them know you are with the Corvette Club of Richmond to get the $79.00 + tax rate.

At 6:30 we will leave for dinner at the Farmhouse, a local favorite, for a 7:00 PM dinner. We will need to make reservations for the group, so we will need a good count of those who would like to join us. Please let John or Mike (numbers below) know if you will be joining so we can make reservations ASAP.

There is no cost for this event, however Mr. Dun can supports the Brittany McCann Project, Inc. Brittany has cerebral palsy. The remarkable part is that the money is not for her or her family. She runs a ministry that reaches out and takes care of children from underprivileged families and children with illnesses from her wheelchair and her connection on face book and social media. You can check out her work at http://brittanyproject.com.

Wear your CCR shirts and nametags and bring your club radios. We'll have a good time! Questions? Call: John at (804) 955-5894 or Mike at (804) 869-6836.

As a bonus on your return trip on Sunday you will pass by the D-Day Memorial in Bedford. It will be the perfect opportunity to visit the visitor’s center and the memorial. This is a moving tribute to those who were there that day and the sacrifice one community made.
Corvettes at Carlisle runs Thursday, August 22 - Sunday, August 25, 2019. This is the largest and most fun-filled Corvette event in the world, the annual Corvettes at Carlisle event features more than 5,000 Corvettes representing all generations of America’s classic sports car. Corvette enthusiasm is contagious with participation in autocross, burn-outs and the parade through historic downtown Carlisle. The excitement continues with an incredible shopping experience, including a huge swap meet with a wide variety of vendors, an all-Corvette car corral, Manufacturers Midway and Installation Alley. Register online or call 717-243-7855 today.

We have done the Saturday night parade 5 years running and highly recommend it. Over 500 Vettes drive 3 abreast through downtown Carlisle and the route is jammed with cheering spectators. Suggest you sign up for that along with Fun Field Parking when you register for Carlisle.

We will drive up Friday morning. If you would like to join our caravan, meet us in the River City Diner parking lot at 803 E. Parham Road (Parham and Route 1, just off I-95). We will meet at 8:00 and depart at 8:15 a.m. Don't worry about breakfast--we'll stop about an hour up the road. Don't forget your nametags, Club apparel and Club radios.

Hope you'll join us.
On Saturday, October 19, please join us for a fun cruise with fellow CCR members to the Glass House Winery in Free Union, VA; followed by lunch in a private room at Shadwell’s Restaurant, in Charlottesville.

The Glass House winery features Wine as well as hand made chocolates, all made right on the premises! Owners Jeff and Michelle Sanders moved to Virginia in 2006. They were awed by the lush landscape, the beauty of the Blue Ridge and the friendliness of the people in Virginia. While searching for a way to marry Jeff’s botanical skills with Michelle’s love of creating unique chocolates, the couple discovered Virginia’s promising wine industry and many wineries. It was a perfect match and Glass House Winery was born. They have built a tropical conservatory attached to the tasting room. It is filled with tropical plants surrounding tables and walkways, where you are welcome to sip Glass House wines and enjoy the company of fellow CCR members. Tasting’s are $10 ($12 if you want to take home the logo etched wine glass) and include a sample of their hand-crafted chocolate. The Glass House Winery will open one hour early especially for CCR at 11 AM! We will have the place entirely to ourselves until 12 noon!

Upon arrival, we will stage our Corvettes in front of the winery for a photo shoot. Kindly be patient and follow the direction of the CCR Parking Marshals upon arrival. At the winery, we will sell 50/50 tickets for $1.00 each. We will draw two winners at lunch, each receiving 50% of the money collected. Good luck!
Our lunch stop takes its name from the birthplace of Thomas Jefferson, Shadwell. It is classic American food featuring authentic Chesapeake Bay seafood dishes. Assuming our group is more than 20 people, you will select from a menu specifically selected by your CCR venue preview team. This is a moderately priced establishment with sandwiches priced between $11 and $16. You will be able to order appetizers, house salads, and a main course. Adult beverages are available. CCR participants will receive individual checks, and it will include a 22% gratuity on food and beverages (not tax). CCR will have reserved parking in front of the restaurant, and we will plan a photo shoot. Once again, upon arrival, please follow the directions of our CCR Parking Marshals.

This event will be limited to 40 participants, such that the Glass House winery can efficiently serve our members, and due to the capacity of our private room at Shadwell’s. You will be officially registered only through payment of your $10 per person wine tasting fee, on a first come basis. Payment can be sent to me by check to Kirby Montgomery, 809 Merchant Lee Court, Manakin Sabot, VA 23103. Upon receipt of payment you will officially be registered for this event. Should you wish to attend, but not participate in the wine tasting, your $10 registration fee deposit will be cheerfully refunded, or you can spend it on Glass House Winery Chocolates! Anyone registering by making their deposit payment, and for whatever reason cannot attend, will receive a refund. Upon registration, please indicate with a note included with your check if you wish to participate in the wine tasting, or in lieu of the wine tasting experience, simply prefer to order a glass (or a bottle) of wine and forego the wine tasting.

Registration for this event will end as of Monday, October 6, as we have to deliver a headcount to the winery and restaurant as of that date. So please register early!

We will meet on the morning of Saturday October 19 at 8 AM at WAWA, 12564 Broad Street Road, Henrico, VA 23233. This is the WAWA just east of 288 on Broad Street. Do not meet us at the WAWA just East of I-64 on Broad Street, as we will not be there! There will be a driver's meeting at 8:15 AM, and we will depart promptly at 8:30 AM. Bring your radio, and we will have a limited number of club radios available. We will take the scenic route to the Glass House Winery with views of the Blue Ridge Mountains as we get near. It is a beautiful drive, and at this time in October we are hoping for nice colors! Driving time will be about two hours. We will make a rest stop after about 1 1/2 hours, and then continue on to the winery. We expect to arrive at the winery at 11 AM, and depart shortly after noon. It is approximately a one-half hour drive from the Glass House Winery to Shadwell’s, where we are expected at 1:00 PM.

Following lunch, your return home is at your leisure. Marcie and I hope you can join us for this fun CCR event!
